

Brand New EYFS and KS1 Workshops!

For EYFS & KS1: **MUSIC TIME!**

Bespoke music workshops based on a theme of your choice, led by experienced musicians! These workshops include a range of songs, games, opportunities to play percussion instruments, as well as a chance to listen and respond to a specially chosen piece of music. Children will develop their singing voices, learn about pulse, rhythm, dynamics and tempo, *and* have fun.

For EYFS: **MUSIC MAKERS**

Our Early Years specialist will bring a range of inspiring percussion instruments and props to your setting and join in with the children's creative play. This is a child-led experience so children are free to engage as much or as little as they like, and we can be both indoors and/or outdoors, singing and playing instruments. The session also includes a teacher-led group time where children have an opportunity to meet special instruments and to sing together.

For KS1: **MUSIC GAMES**

Learn a variety of fun singing games to give your school a musical boost! The games promote a broad range of musical skills from developing singing voices to following a beat, and they also help to develop confidence and social skills such as turn-taking or following instructions. For maximum benefit, class teachers and other staff should attend with the children so that everybody can remember and continue to play the games after the workshop.

These brand new workshops can be booked for just £170 per half day.
